Interesting Facts

- This year's program cover logo was designed by Saniah Lopez, a senior at Macomb High School.
- Rockridge's 2024 tournament victory was their sixth title and 11th total trophy in the event's history. All six Rockets tournament championships have come since 2013.
- Five schools now tie for a record six tournament titles. These schools include Macomb, Pittsfield, Quincy Notre Dame, Rockridge, and Western.
- West Hancock repeats as the tournament's #1 seed. Last year, they took home the second place trophy after a loss in the championship game to Rockridge.
- The last five Macomb-Western Holiday Tournaments have been won by the #3 seed. Prior to that streak, West Hancock won back-to-back titles as the #1 seed in 2017 and 2018.
- The Macomb-Western Holiday Tournament is named after the event's original two host schools: Macomb High School and Western High School. Western High School - a lab school located at Western Illinois University - closed its doors in 1973.
- The tournament's website (holidaybasketball.com) now features an archive of past tournament programs on its History page.
